Realistic training.

Most people don't think of being attacked by someone wearing a tie and cuff links. Nice attire doesn't make someone trustworthy.

Situational awareness training.
Talking on the phone, while getting in your car....Mistake!!
Can you spot the potential attacker?

Situational awareness training.

Empowering women to think and
"live life like a queen!"

Hands-on-training from certified black belts karate instructors.

Hands-on-training. It wasn't easy.

Are you willing to do what it takes to survive?

Equipment provided for realistic self defense training

Energetic training.....

What works....and what doesn't work.

Don't wait until you are in this position.
Learn how to avoid this situation.

During this seminar, a guest opened up and shared with those in attendance how violence against women has changed her life.

She recently lost a relative to a violent attack and was grateful for this seminar. She asked to be notified of our next event.

The more information you obtain, the safer you will be.

“My people are destroyed, because of lack of knowledge”.
